Understanding  
Theology

April  
4, 11, 18, 25

What is sin and where did it come from? How can Jesus be fully God and fully man?

Doctrine in its simplest form means “teaching that is used as a standard to establish a set of principles and manner of conduct.”

Doctrine is important and relevant to every Christian because it shows us who God is and how we should live. It isn't just for theologians, because every believer will be defined by the doctrine that he or she upholds.

This course will examine some of the doctrines of the Bible with the purpose of equipping students to have an authoritative handling of the Word of God.

## SUPERNATURAL HEALING: PHYSICAL HEALING

500 SERIES  
Ministry Studies  
Series

April  
4, 11, 18, 25

In Mark 16:17-18, it says "these signs will follow those who believe: In My name they will lay hands on the sick, and they will recover."

Because the healing of the sick should follow every believer, a strong culture of praying for those who are unwell is needed in the church today!

Every Christian has the privilege to co-partner with the Holy Spirit to speak healing in faith over themselves and others.

The Book of James provides life-giving instruction and helps you understand not only how to listen to the Word but also how to do what it says. James speaks on the subject of wisdom and you can see wisdom at work in how he brought perspective and insight to the gathered church leaders.

The promises to the church of the last days belong to the overcomers. In this course, we will deep dive into this wonderful epistle to discover many keys in helping to come into this position.

The Journey of Israel is a study on the pilgrimage that the Children of Israel took from Egypt to Mount Zion.

This historical record is synonymous to our life in Christ and gives us spiritual insights as to how we can conquer our enemies from within and without to enter into spiritual Mount Zion where we are called to enter into God's perfect rest.

Church Life

May  
9, 16, 23

This course will  
be conducted  
via **zoom**.

Some Christians feel confident, equipped, and ready to share their faith. But if you're not one of those people, you're not alone. In fact, you're in the majority. All of us desire to be effective witnesses and disciple makers for Christ but this doesn't happen by accident. It is intentional. Join us as Ps Benny Ho gives us practical handles on how to navigate through this rewarding journey. You don't have to know all the answers to tough questions in order to share your faith. You simply need to be one who was lost and is found. And you might be surprised—the person you're most afraid to speak might be the very person whose heart God has prepared to receive the gospel.
