THE PERSON & WORK OF THE HOLY SPIRIT

300 SERIES
Understanding
Theology

April
2, 9, 23, 30

May 7

*This course will be
conducted **onsite**

The third Person of the Trinity is often the most misunderstood and neglected. Yet, He has been given to us as our daily Companion — to teach and guide us into all Truth, and to walk in power. Scripture tells us that the letter kills, but it is the Spirit who gives life. Get to know Him better in this study and experience His presence in your life like never before. Come, Holy Spirit!

**Depending on the instructor, this class may require a fifth session.*

2 THE JOURNEY OF ISRAEL

400 SERIES
Our Christian
Heritage

April
2, 9, 23, 30

May 7

*This course will be
conducted **onsite**

The Journey of Israel is a study of the pilgrimage that the Children of Israel took from Egypt to Mount Zion. This historical record is synonymous to our life in Christ and gives us spiritual insights on conquering our enemies from within, so that we may enter spiritual Mount Zion. This is where we are called to enter God's perfect rest.

**Depending on the instructor, this class may require a fifth session.*

3 THE BOOK OF COLOSSIANS

500 SERIES
Biblical
Studies

April
2, 9, 23, 30

*This course will be
conducted onsite

The Book of Colossians presents the Magnificence of Jesus Christ in the loftiest of descriptions and of ways not seen in any of the other scriptural writings. The apostle Paul counters many of the false teachings that were permeating the church at Colossae regarding the deity of Christ. The genius of the apostle lies not only in his ability in exposing false teaching but in presenting truth as an effective counter.

4

RECALIBRATING YOUR WORK LIFE FOR KINGDOM PURPOSE

500 SERIES
Effective
Christianity

April
2, 9, 23, 30

*This course will be
conducted onsite

Do you want to see God's kingdom come on earth as in heaven? Have you asked God to make work a channel for His kingdom purpose but feel stuck, weighed down, or dissatisfied in your career? Or are you at an inflexion point in your career and seeking clarity on the next step? This course aims to enlarge participants' vision for greater or new areas of impact at work in alignment with God's purpose, and to discern when God may be calling for a change.

This is a limited workshop style class designed for small group discussion, with built-in pre-session and in-class reflection exercises, to help participants renew their kingdom perspective on doing kingdom work for kingdom rewards. Recommended for participants who enjoy engaging in discussions and are committed to complete the pre-class exercises and attend all four sessions of the workshop.

5

SUPERNATURAL HEALING TRACK 1: PHYSICAL HEALING

500 SERIES
Ministry Series

April
2, 9, 23, 30

*This course will be
conducted on **ZOOM**

In Mark 16:17-18, it says "these signs will follow those who believe: In My name they will lay hands on the sick, and they will recover." Because this sign follows all that believe, a strong healing culture is needed in the church today! Every believer has the privilege to co-partner with the Holy spirit to heal and believe in healing for others and for themselves.
